#5	Post-Construction Storm Water Management in New Development and Redevelopment	Charleroi Borough	Roberta Doerfler	724-483 - 6011	
#6	Pollution Prevention / Good Housekeeping	Charleroi Borough	Roberta Doerfler	724-483- 6011	
	MCM #1 - PUBLIC EDUCATION AND O	UTREACH ON STORM	WATER IMPACTS		
BN	IP #1: Develop, implement and maintain a written Public	c Education and Outreach F	Program.	***************************************	
1.	For new permittees only, has the written PEOP been deve	eloped and implemented withi	n the first year of pern	nit coverage?	
	☐ Yes ☐ No				
2.	Date of latest annual review of PEOP: 6/19/2023	Were updates made?	Yes ⊠ No		
3.	What were the plans and goals for public education and o	utreach for the reporting perio	od?		
	The goals for the reporting period were to increase public awareness about Stormwater Pollution Prevention and MS4 topics through various methods such as publishing and distributing educational stormwater materials, organizing community volunteer clean-up and monitoring events, and holding public educational meetings throughout the year.				
4.	Did the MS4 achieve its goal(s) for the PEOP during the re	eporting period? 🛛 🖂 Ye	s 🗌 No		
5.	Identify specific plans and goals for public education and	outreach for the upcoming yea	ar:		
	The goals for the upcoming year are to continue to publish and distribute educational materials to the target audiences, organize additional community events, and continue to hold public meetings throughout the year, preferably educational presentations given by accredited environmental organizations on stormwater education.				
BN	IP #2: Develop and maintain lists of target audience gro	oups present within the area	as served by your M	S4.	
1.	For new permittees only, have the target audience lists coverage?	been developed and implem	ented within the first	year of permit	
	☐ Yes ☐ No				
2.	Date of latest annual review of target audience lists: 6/19/	2023 Were update	es made?	⊠ No	
BMP #3: Annually publish at least one educational item on your Stormwater Management Program.					
1.	1. For new permittees only, were stormwater educational and informational items produced and published in print and/or on the Internet within the first year of permit coverage?				

	0-FM-BCW0491 9/2017 nual MS4 Status Report									
	☐ Yes ☐ No									
2.	Date of latest annual review of	of education	nal m	aterials	: 6/19/:	2023		Were updates made?	☐ Yes ☒ No	
3.	Do you have a municipal https://charleroiboro.org/)	website?	\boxtimes	Yes		No	(URL:			

	If Yes, what MS4-related material does it contain? The Borough's website contains a link to the DEP's municipal stormwater page which has MS4 frequently asked questions, training resources, and other information about stormwater and the MS4 program.				
4.	Describe any other method(s) used during the reporting period to provide information on stormwater to the public: The Borough's MS4 program is regularly discussed at Borough Council meetings. Information on stormwater can also be found posted in the Borough building or through the ordinance link on the Borough website.				
 Identify specific plans for the publication of stormwater materials for the upcoming year: Stromwater related articles will continue to be posted in public areas in the Borough of Charleroi and all links regardi stormwater on the Borough website will be regulary checked. 					
RM	P #4: Distribute stormwater educational materials to the target audiences.				
dis	ntify the two additional methods of distributing stormwater educational materials during the previous reporting period (e.g., plays, posters, signs, pamphlets, booklets, brochures, radio, local cable TV, newspaper articles, other advertisements, bill fers, posters, presentations, conferences, meetings, fact sheets, giveaways, or storm drain stenciling).				
	schures and fact sheets for the MS4 program were both posted within the Charleroi municipal building. Updates about Borough's MS4 program were shared during the Borough Council monthly meetings.				
MC	M #1 Comments:				
	MCM #2 — PUBLIC INVOLVEMENT/PARTICIPATION				
BMP #1: Develop, implement and maintain a written Public Involvement and Participation Program (PIPP)					
1.	For new permittees only, was the PIPP developed and implemented within one year of permit coverage?				
	☐ Yes ☐ No				
2.	Date of latest annual review of PIPP: 6/19/2023 Were updates made? ☐ Yes ☒ No				
BMP #2: Advertise to the public and solicit public input on ordinances, SOPs, Pollutant Reduction Plans (PRPs) (if applicable) and TMDL Plans (if applicable), including modifications thereto, prior to adoption or submission to DEP:					
1.	Was an MS4-related ordinance, SOP, PRP or TMDL Plan developed during the reporting period? ☒ Yes ☐ No				
2.	If Yes, describe how you advertised the draft document(s) and how you provided opportunities for public review, input and feedback:				
	The SOPs were presented to the Borough Council and the public as part of the Engineer's report at Borough Council meetings. The agendas for these meetings are available online prior to the meetings. The draft SOP documents were available for viewing at the Borough offices. No public comments were received on the SOPs.				
3.	If an ordinance, SOP or plan was developed or amended during the reporting period, provide the following information:				
	Ordinance / SOP / Plan Name Date of Public Notice Date of Public Hearing Date Enacted or Submitted to DEP				

SOP: Public Works Building Operation and Maintenance	N/A	N/A	7/22/2023
SOP: Salt Storage Shed Operation and Maintenance	N/A	N/A	7/22/2023

	IP #3: Regularly solicit public involvement and participation from the target audience groups using available tribution and outreach methods.
1.	At least one public meeting or other MS4 event must be held during the 5-year permit coverage period to solicit participation and feedback from target audience groups. Was this meeting or event held during the reporting period?
	☐ Yes ☒ No If Yes, Date of Meeting or Event:
2.	Report instances of cooperation and participation in MS4 activities; presentations the permittee made to local watershed and conservation organizations; and similar instances of participation or coordination with organizations in the community.
	At the Borough's monthly meeting on 6/8/2022, a presentation was given on how to manage the MS4 system.
3.	Report activities in which members of the public assisted or participated in the meetings and in the implementation of the SWMP, including education activities or efforts such as cleanups, monitoring, storm drain stenciling, or others.
	A presentation on the importance of the MS4 progam and stormwater pollution prevention was given at the Borough's monthly meeting on 6/8/2022. This monthly meeting was open to the public.
MC	M #2 Comments:
any A n	e goal for the next reporting period is to continue to review the written PIPP and current Borough ordinances and make y updates, if required. The Borough will create opportunities for the public to review any updated plans or ordinances. neeting will be held during the permit period for the participation of the community and meeting minutes will be provided cordingly. The public participation, cooperation, and activities will be published to the municipal website and submitted the next annual report for the permitting period.
	MCM #3 — ILLICIT DISCHARGE DETECTION AND ELIMINATION (IDD&E)
BN	MCM #3 – ILLICIT DISCHARGE DETECTION AND ELIMINATION (IDD&E) IP #1: Develop and implement a written program for the detection, elimination, and prevention of illicit discharges of the regulated small MS4.

☐ Yes 🏻	No		·		
3. Do you main	3. Do you maintain documentation of all responses, action taken, and the time required to take action? 🗵 Yes 🗌 No				
MCM #3 Comme	ents:				
Non-contaminated hydrostatic test water discharges, if such discharges do not contain detectable concentrations of TRC, must be added to the list of allowable discharges within the Township's Stormwater Management Ordinance. The Borough will update the ordinance in the next reporting period to be consistent with the 2022 Model Ordinance. In the next reporting period, directions on how to report an illicit discharge will be added to the Borough's website.					
	MCM #4 - CONSTRUCTION SITE S		OFF CONTROL		
Are you relying o	n PA's statewide program for stormwater asso	ciated with construction	activities to satisfy this MCM?		
⊠ Yes □ No					
(If Yes, respond t	o questions for BMP Nos. 1, 2 and 3 only in this	s section. If No, respond	to questions for all BMPs in this section)		
disturbance act	mittee may not issue a building or other per ivities requiring an NPDES permit unless t e (i.e., not expired) under 25 Pa. Code Chap	he party proposing th			
	ting period, did you comply with 25 Pa. Code EP or a county conservation district (CCD) has				
⊠ Yes □	No Not Applicable (no building permit ap	plications received)			

BMP #2: A municipality or county which issues building or other permits shall notify DEP or the applicable CCD within 5 days of the receipt of an application for a permit involving an earth disturbance activity consisting of one acre or more, in accordance with 25 Pa. Code § 102.42.
During the reporting period, did you comply with 25 Pa. Code § 102.42 (relating to notifying DEP/CCD within 5 days of receiving an application involving an earth disturbance activity of one acre or more)?
☑ Yes ☐ No ☐ Not Applicable (no building permit applications received)
BMP #3: Enact, implement and enforce an ordinance or SOP to require the implementation and maintenance of E&S control BMPs, including sanctions for non-compliance, as applicable.
 Do you have an ordinance (municipal) or SOP or other mechanism (non-municipal) that requires implementation and maintenance of E&S control BMPs? ☑ Yes ☐ No
If Yes, indicate the date of the ordinance or SOP: 3/10/2011
2. If Yes to #1, is the ordinance or SOP consistent with DEP's 2022 Model Stormwater Management Ordinance (3800-PM-BCW0100j)? ☐ Yes ☒ No
3. If Yes to #2 and the ordinance or SOP has not been submitted previously, attach a copy of the ordinance or SOP.
BMP #4: Review Erosion and Sediment (E&S) control plans to ensure that such plans adequately consider water quality impacts and meet regulatory requirements.
Specify the number of E&S Plans you reviewed during the reporting period:
BMP #5: Conduct inspections regarding installation and maintenance of E&S control measures during earth disturbance activities. Maintain records of site inspections, including dates and inspection results, in accordance with the record retention requirements in this permit.
Specify the number of E&S inspections you completed during the reporting period:
BMP #6: Conduct enforcement when installation and maintenance of E&S control measures during earth disturbance activities does not comply with permit and/or regulatory requirements.
Specify the number of enforcement actions you took during the reporting period for improper E&S:
BMP #7: Develop and implement requirements for construction site operators to control waste at construction sites that may cause adverse impacts to water quality. The permittee shall provide education on these requirements to construction site operators.
Specify the method(s) by which you are educating construction site operators on controlling waste at construction sites:
BMP #8: Develop and implement procedures for the receipt and consideration of public inquiries, concerns, and information submitted by the public to the permittee regarding local construction activities.
1. A tracking system has been established for receipt of public inquiries and complaints. Yes No
2. Specify the number of inquiries and complaints received during the reporting period:
MCM #4 Comments:
For the next reporting period the Borough plans on revising the stormwater management ordinance so that it aligns with DEP's 2022 Model Stormwater Management Ordinance.

МС	MCM #5 - POST-CONSTRUCTION STORM WATER MANAGEMENT IN NEW DEVELOPMENT AND REDEVELOPMENT				
	BMP #1: Enact, implement and enforce an ordinance or SOP to require post-construction stormwater management from new development and redevelopment projects, including sanctions for non-compliance.				
1.	Do you have an ordinance (municipal) or SOP or other mechanism (non-municipal) that requires implementation and maintenance of post-construction stormwater management (PCSM) BMPs? ⊠ Yes ☐ No				
	If Yes, indicate the date of the ordinance or SOP: 3/10/2011				
2.	If Yes to #1, is the ordinance or SOP consistent with DEP's 2022 Model Stormwater Management Ordinance (3800-PM-BCW0100j)? Yes No				
3.	If Yes to #2 and the ordinance or SOP has not been submitted previously, attach a copy of the ordinance or SOP.				
de\ de\	IP #2: Develop and implement measures to encourage and expand the use of Low Impact Development (LID) in new relopment and redevelopment. Measures should also be included to encourage retrofitting LID into existing relopment. Enact ordinances consistent with LID practices and repeal sections of ordinances that conflict with LID includes.				
1.	Do you have an ordinance (municipal) or SOP or other mechanism (non-municipal) that encourages and expands the use of LID in new development and redevelopment? ⊠ Yes ☐ No				
	If Yes, indicate the date of the ordinance or SOP: 3/10/2011				
2.	If Yes to #1, is the ordinance or SOP consistent with DEP's 2022 Model Stormwater Management Ordinance (3800-PM-BCW0100j)? ☐ Yes ☒ No				
3.	If Yes to #2 and the ordinance or SOP has not been submitted previously, attach a copy of the ordinance or SOP.				
dev	IP #3: Ensure adequate O&M of all post-construction stormwater management BMPs that have been installed at velopment or redevelopment projects that disturb greater than or equal to one acre, including projects less than one that are part of a larger common plan of development or sale.				
1.	Do you have an inventory of all PCSM BMPs that were installed to meet requirements in NPDES Permits for Stormwater Discharges Associated with Construction Activities approved since March 10, 2003? ☑ Yes ☐ No				
	If Yes to #1, complete Table 1 on the next page.				
2.	Has proper O&M occurred during the reporting period for all PCSM BMPs? ☐ Yes ☒ No				
3.	If No to #2, explain what action(s) the permittee has taken or plans to take to ensure proper O&M.				
	There are currently no BMPs within Charleroi Borough				
lf v	ou are relying on PA's statewide program for stormwater associated with construction activities, you may skip to MCM #6,				
	erwise complete all questions for BMPs #4 - #6 in this section.				
the	IP #4: Require the implementation of a combination of structural and/or non-structural BMPs that are appropriate to local community, that minimize water quality impacts, and that are designed to maintain pre-development runoff inditions.				
1.	Specify the number of PCSM Plans reviewed during the reporting period for projects disturbing greater than or equal to one acre (including projects less than one acre that are part of a larger common plan of development or sale):				
2.	Has a tracking system been established and maintained to record qualifying projects and their associated BMPs?				
	☐ Yes ☐ No

ins ins be	BMP #5: Ensure that controls are installed that shall prevent or minimize water quality impacts. The permittee shall inspect all qualifying development or redevelopment projects during the construction phase to ensure proper installation of the approved structural PCSM BMPs. A tracking system (e.g., database, spreadsheet, or written list) shall be implemented to track the inspections conducted and to track the results of the inspections (e.g., BMPs were, or were not, installed properly).					
1.	During the reporting period have you inspected all qualifying development and redevelopment projects during the construction phase to ensure proper installation of approved structural BMPs?					
	☐ Yes ☐ No ☐ Not Applicable (no qualifying projects during reporting period)					
2.	Has a tracking system been established and maintained to record results of inspections?					
	☐ Yes ☐ No					
	BMP #6: Develop a written procedure that describes how the permittee shall address all required components of this MCM.					
pla	Have you developed a written plan that addresses: 1) minimum requirements for use of structural and/or non-structural BMPs in plans for development and redevelopment; 2) criteria for selecting and standards for sizing stormwater BMPs; and 3) implementation of an inspection program to ensure that BMPs are properly installed? Yes No					
MC	CM #5 Comments:					
Fo	There are currently no BMPs located within Charleroi Borough. For the next reporting period the Borough plans on revising the stormwater management ordinance so that it aligns with DEP's 2022 Model Stormwater Management Ordinance.					
	MCM #6 - POLLUTION PREVENTION / GOOD HOUSEKEEPING					
ge	IP #1: Identify and document all operations that are owned or operated by the permittee and have the potential for nerating pollution in stormwater runoff to the MS4. This includes activities conducted by contractors for the rmittee.					
1.	Have you identified all facilities and activities owned and operated by the permitee that have the potential to generate stormwater runoff into the MS4? ☒ Yes ☐ No					
2.	. When was the inventory last reviewed? 8/12/2022					
3.	When was it last updated? 8/12/2022					
BMP #2: Develop, implement and maintain a written O&M program for all operations that could contribute to the discharge of pollutants from the MS4, as identified under BMP #1. This program shall address stormwater collection or conveyance systems within the regulated MS4.						
1.	. Have you developed a written O&M program for the operations identified in BMP #1? ⊠ Yes ☐ No					
2.	Date of last review or update to written O&M program: 6/19/2023					
pre	BMP #3: Develop and implement an employee training program that addresses appropriate topics to further the goal of preventing or reducing the discharge of pollutants from operations to the regulated small MS4. All relevant employees and contractors shall receive training.					
1.	Have you developed an employee training program? ⊠ Yes □ No					
2.	Date of last review or update to training program: 6/9/2023 Date of latest training: 6/8/2022

CERTIFICATION

For PAG-13 Permittees: I have read the latest PAG-13 General Permit issued by DEP and agree and certify that (1) the permittee continues to be eligible for coverage under the PAG-13 General Permit and (2) the permittee will continue to comply with the conditions of that permit, including any modifications thereto. I understand that if I do not agree to the terms and conditions of the PAG-13 General Permit, I will apply for an individual permit within 90 days of publication of the General Permit. I also acknowledge that any facility construction needed to comply with the General Permit requirements shall be designed, built, operated, and maintained in accordance with operative laws and regulations.

For All Permittees: I certify under penalty of law that this report was prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel property gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations. See 18 Pa. C.S. § 4904 (relating to uneworn falsification).
